State Representative Bernard Schaber's Statement: Assembly Democrats Decide to Reinstate the Fox Valley Regional Transit Authority in the State Budget

"After weeks of speaking to members in the Assembly and Senate, I am very pleased to announce the Assembly Democrats have decided to reinstate the Fox Cities Regional Transit Authority in the state budget. The creation of a Fox Cities Regional Transit Authority will be vital to the economic growth and security in Appleton. In this time of national economic crisis, we need to make sure folks in the Fox Valley have access to affordable public transportation. I am very pleased the Assembly Democrats appreciate the importance for the creation of a Regional Transit Authority in the Fox Cities. I will continue to work hard to make sure this important provision stays in the budget."
